1/2/3 GRADE SOCCER PARENTS: HELP, HELP, HELP! I am so happy with the number of students signed up to play soccer this year. We have 16 students signed up and I have decided to make 2 teams so that students will have playing time. Our games will start on Monday, September 19th. We are desperately in need of coaches for both of these teams. You DO NOT have to be an expert at soccer to coach one of these teams. Once we have coaches in place, these coaches would divide the number of students into two teams and set up practice times. Usually practice once a week is sufficient along with one game a week. Remember, **WITHOUT COACHES WE WON'T HAVE A TEAM.** Please prayerfully consider coaching one of these teams.

SPORTS PHYSICALS: Mr. Begick will be in on Monday, September 12th, to give sports physicals to all "A" team soccer players. Other students needing physicals will be scheduled at a later date. This date will be passed along as soon as it is scheduled.

THE BACK TO SCHOOL PICNIC is scheduled for Sunday, September 18th starting at noon till 2:30pm. The Board of Education will be providing the Main (meat) dish for the picnic. We are asking the school families to bring dishes and we have assigned the dishes as follows:

Families with the last name beginning **A – M** please bring a side dish such as a salad, fruit, beans, etc...

Families with the last name beginning **N – Z** please bring a dessert. Any questions, please call Heather at 989-737-9648.

SAVE YOUR OLD CELL PHONES: Saginaw County Right to Life is collecting old cell phones for recycling or for emergency use for the elderly, victims of domestic abuse, and others in need. They receive a donation for each phone. Boxes are located in the school and in church above the mail boxes. Please let your friends and family know about this opportunity to help promote the dignity and protection of life.
